Hi, Marsha!

Japan is great! And the food here is great, too.

I have rice for breakfast every day here. I hardly ever eat rice at home, but I love Japanese rice. After classes, my friends and I eat lunch. We usually have sushi, but sometimes we make a big salad with tomatoes and carrots. I like cheese on my salad, but my friends don't.

Dinner is always good. Once a week we have American food – usually pizza or hamburgers. Sometimes I make Mexican or Italian food – usually tacos or pasta. I put beef or chicken in our tacos. My friends like my tacos, but they *love* my pasta.

Bye!

Kristin
