Hi, Andy,

Congratulations! You're graduating from college! That's really great!

What are you planning to do now? Are you going to graduate school in September, or are you taking some time off to travel?

I'm not going anywhere this summer. I just started a new job in a bookstore to make money for art school this fall. I'm riding my bike and taking my lunch to work to save money. I think I might get a roommate, too. I'm not sure.

Write soon and tell me how you're doing.

Danny
