### B Student A's own answers

*Sample answers:*

1. My grandmother is the most thoughtful person I know. She always helps other people. She gives us wonderful gifts, and she sends thank-you notes for any favors you do for her.
2. I don't think anything is useless. Even garbage and broken things can be useful if you recycle them.
3. He / She might have had a meeting or missed his / her bus.
4. Someone might have taken a customer's money and run away with it.

### C Student A and B's answers

*Sample answers:*

- They might not have had a lot of tools or equipment, so it took a long time to build things.
- They might have used the rooms for sleeping and eating. They could have used the large round rooms for meetings.
- Maybe they made rooms with no windows to store things that can't be in the sun.
- They may have used the roads to travel to other towns that don't exist anymore or to areas where they met people from other places to buy and sell things.
- They might have gone to a place with more food and water.
