## Oral Quiz

### **A Student B's own answers**

*Sample answers:*

1. I look forward to spending time with my family and playing soccer with my friends.
2. I can't put up with people who are late and then make excuses. I prefer people who are honest, even when they make a mistake.
3. I can always rely on my friend Leo. He always tries to help me when I need him. And if he can't help me, he finds someone who can.
4. I usually worry about work. If I have a bad day, I can't stop thinking about it.

### **B Student A's own answers**

*Sample answers:*

1. I usually keep up with my friends by emailing them or by chatting online. It's cheaper than calling them.
2. I usually don't get along with people who are too competitive. I don't like people who don't know how to lose and always need to be better than everybody else.
3. I can usually depend on my friend Ana. She gives me good advice and helps me if I have a problem.
4. I never worry about fashion. I think it's important to wear comfortable clothes, not trendy ones.

### **C/D Student A / B's answers**

*Sample answers:*

- I saw a stranger on the street. He looked lost, so I asked if I could help him. Then he told me . . .
- I was on the train going home from work when a woman sat down next to me. In a few minutes she took out her cell phone and made a call. She was talking very loudly. After ten minutes, I asked her if she could speak lower or not use her cell phone on the train. She got really angry and told me . . .
- My friend Chris quit his job, and now he's having money problems. One day he asked me if I would lend him some money, but I said "no." We argued, and he said . . .
