Oral Quiz

A Student B's own answers

Sample answers:

1. I think that more paper and glass needs to be recycled.
2. Yes, I do. I take old newspapers and magazines to our recycling center, and I put glass and cans in the recycling bins at the train station. / No, I don't. It's easier to put everything in the trash can.
3. We have a health clinic and a public library. There are probably more services, but I don't know about them. I guess I could find out on the Internet.
4. I think we should have a recreation center. We need a place where we can play sports.

B Student A's own answers

Sample answers:

1. I think that people should take public transportation so there aren't so many cars on the road.
2. Yes, I do. I take very short showers. / No, I don't do much to conserve water, but I conserve energy. I always turn off the lights when I leave a room.
3. I use the public library a lot. I borrow books and movies and get information about courses. I sometimes go to the recreation center, too.
4. I think we should have more parks and gardens.

C/D Useful phrases

If your students need extra support, provide them with some of these useful phrases:

- I agree that [more should be done to limit air pollution], but I don't think that [we should be able to use only public transportation in downtown areas].
- I think that [people should be able to drive their cars], but we should [do something to limit their number].
- I see what you mean.
- That's a very good point.
- I feel the same way because . . .
- Actually, I have a different opinion. I think . . .
- I see it a little differently. In my opinion, . . .
