South Africa – the land of a thousand dreams

Here are some of the great things that you can do when you visit our amazing country.

1 _____

Have you ever been on safari or seen lions in the wild? Have you ever ridden in a jeep or slept in a tent? No? If you've never done any of these things, you could do them all on vacation in South Africa.

A great place to go on safari is the Kruger National Park. It's amazing. Millions of people have visited Kruger since the park opened in 1898. There are elephants, lions, zebra and much, much more.

There are lots of great hotels and campsites in the park where you can stay. You'll find some great tours that take you around the park in safari jeeps. If you go on a good tour, you'll see a lot of animals.

A good time to visit Kruger Park is in the winter, from June to September. It doesn't rain in the winter and it's easy to see the animals. So, if you haven't been to South Africa yet, it's a great time to visit.

If you don't want to go on safari, you'll love our beaches. Come to Cape Town, where there are beautiful beaches and fantastic hotels. What about scuba diving? Have you ever seen a shark? You can go scuba diving in Cape Town and see these amazing sharks! Don't worry, you'll be safe in our special shark cages. Thousands of people have done it, and we've never had an accident.

2 _____

Many different tribes live in South Africa. The people in this photo are from the Zulu tribe. If you want to learn about Zulu culture, visit Eshowe, in Kwazulu Natal. Eshowe is a great place to make new friends and learn about Zulu culture, for example, their colourful clothes and their dancing and singing. From Eshowe you can take a tour and visit the villages and meet Zulu people.

So, if you haven't been to South Africa yet, maybe this is the year to visit. If you come to South Africa, you'll never want to leave.
