## Units 1–8 [Track 11]

### Test B

**A** Listen to Tom and Samantha talking. Check the correct answers.

TOM: Is anything wrong, Samantha? You look really tired.

SAMANTHA: I *am* tired, Tom. I'm not getting enough sleep.

TOM: Oh, really? Why is that?

SAMANTHA: It's my neighbors. Their dogs bark all night long. I just wish they made them be quiet for a change!

TOM: Maybe you'd better talk to them about it.

SAMANTHA: I *have* talked to them, but they don't pay any attention. I think maybe I'll start looking for another apartment.

**B** Listen to Sadie and Ian talking. Check the correct answers.

SADIE: Hi, Ian. Are you going to Grace's surprise birthday party?

IAN: Yes. Do you know who's making the food? Maybe I can bring something, too.

SADIE: No, that's OK. We're taking care of all that. But maybe you can tell me where I can get some good tacos. Grace loves Mexican food.

IAN: You know, why don't you make them yourself? I make them all the time. It's really easy. First, cook some hamburger meat. Then cut up onions, tomatoes, and cheese. Next, fill the taco shell with the hamburger meat. After that, add the onions, tomatoes, and cheese. Then pour salsa over the tacos.
