## Units 3–4 [Track 3]

**A** Listen to the conversations. Check the correct answers.

**1.**

ALLY: I just love my new apartment!

WILL: That's great, Ally. What do you like about it?

ALLY: Everything. First of all, it's not as noisy as my old apartment.

WILL: Yeah, it was pretty noisy!

ALLY: And another thing, it has a spacious kitchen! I like to cook for my friends and family, so it'll be more convenient.

WILL: That's good. And what's the rent like?

ALLY: That's what I like the most. It's not as expensive as my old apartment. I can finally start saving some money!

**2.**

MARCO: I was late to work again today. There's just too much traffic.

SASHA: I know! And then there are never enough parking spaces.

MARCO: Exactly! I can never find a place to park my car!

SASHA: So, Marco, why don't you move downtown? You could live near your office.

MARCO: I'd like to. The problem is I really can't afford to live downtown. It's too expensive.

SASHA: But at least you could save some money by walking to work!

**3.**

ELENA: I wish I could find a new place to live. I'm ready for a change.

JOE: Why, Elena? What's wrong with the house you're living in now?

ELENA: Well, it's huge. I don't know why I bought it in the first place. I mean, it's very safe and private – I just wish it weren't so big.

JOE: What kind of place are you looking for, exactly?

ELENA: Someplace that's less spacious, but still comfortable.

JOE: Good luck!

**4.**

MOLLY: So, Peter, how do you like your new apartment?

PETER: I love it! It's great.

MOLLY: What do you like about it?

PETER: Do you remember how dark and dingy my old apartment was?

MOLLY: Yeah, it was kind of depressing.

PETER: Well, my new apartment is on the top floor, so it's nice and bright.

MOLLY: Is there anything you don't like?

PETER: Some of the apartments on the first floor have a small garden, and I'd like to grow flowers or maybe a few vegetables. So I kind of wish I lived on the first floor.

MOLLY: I guess you can't have everything.
