

Unit 10 Written quiz audio script

(Track 11)

Cindy Hi, Todd. I haven't seen you in weeks!
Where have you been?

Todd Hi, Cindy! I've been moving, actually. So
I've been really busy.

Cindy I bet. Where's your new place?

Todd It's way across town. Actually, it's too far to
come here, so I've been thinking about
finding a gym in my new neighborhood. . . .
So, what have you been up to, Cindy?

Cindy Uh, well, things are crazy at work, as usual.
The company has finally hired some new
people, but they haven't started working
yet, so there's still too much work for
everyone else.

Todd That's too bad. Any good news?

Cindy Yeah, actually . . . I've been catching up
with a lot of old friends on the Internet.

Todd Oh, really? Anyone interesting?

Cindy Yeah. I've been in touch with my best friend
from childhood.

Todd That's cool. What's she like?

Cindy Well, her name is Sandra, and she's pretty
amazing. She's been making jewelry for
15 years. It's really beautiful! She sent me
a link to her website.

Todd Have you gotten together yet?

Cindy No, we haven't seen each other yet. We've
been sending emails and texting each
other. We want to get together, but there's
one problem.

Todd What's that?

Cindy Well, she lives about five hours away, and
I've been too busy at work to find time to
meet up with her.

Todd That's too bad. . . .
