

Unit 8 Written quiz audio script

(Track 9)

1. *Brian* I wish I really knew how to cook. I mean, I can cook a little. I can make breakfast. And I know how to barbecue a steak and, you know, make a salad – simple things like that. But if I was a better cook, I'd be able to have a really nice dinner party for my friends.
2. *Tanya* I'm really tired of the rain and cold weather this winter. I wish I could take some time off from work and go somewhere warm. I'd take a good book and just sit in the sun by a pool. But it's too busy at work right now. I probably won't be able to go anywhere for a while.
3. *Joey* I wish I had more energy. If I took better care of my health, I'd probably feel better. I mean, my diet is OK, but I don't get enough exercise. Maybe I could join a gym or some kind of exercise group. I'm too tired at the end of the day, but I could work out during my lunch break.
4. *Jennifer* I've known Bob for about a year. We have a lot in common and get along really well together, but, you see, we're both really young, and I – I don't think we're ready to settle down yet. If he asked, that would be scary.
