

Unit 9 Written quiz audio script

(Track 10)

1. *Girl* Can you give me that, please? I want to turn it up.
Boy I'll do it. There. Uh, wait a minute. There's a game on another channel. I want to check on the score. It'll just take a second.
Girl Ugh! Just give it to me, please. It's still not loud enough.
2. *Man* Do you take yours to work?
Woman Yeah, I always have it in my purse with me. You never know when you might need it.
Man That's true. I often use mine to call Sally during my lunch hour. And my kids sometimes send me text messages.
Woman Mine, too. I use it all the time. In fact, I don't even have one at home anymore.
3. *Woman* Are you having trouble?
Man Yeah, I am. The tech guy put this on the computer yesterday, but it isn't working right. You've used this, right? Do you know what the problem is?
Woman Does it say anything on the screen? I mean, is there an error message?
Man No. Nothing.
Woman Huh. Well, maybe just turn the computer off, and then turn it on again.
Man OK. I'll try that.
4. *Woman* Can I turn this on?
Man Oh, yeah. Sure. I almost forgot I had it. I don't listen to it very often, to be honest. Maybe I'll turn it on when I'm working around the house and listen to a game or something. . . .
Woman Really? I have one on all the time, especially in the car. I like to listen to the news when I go to work in the morning. And in the evening after work, I usually turn on my favorite talk show.
