(Track 11)

Woman Hey, Ben, you look tired. Are you OK?

Ben I'm exhausted. I didn't sleep at all last night.

Woman I'm sorry to hear that. Why not?

Ben My roommate, Paulo, had some people over last night.

Woman Really? Did he have a party again?

Ben No. I mean, yes. Kind of.

Woman What do you mean?

Ben Well, his friends came over, and he cooked an amazing Brazilian dinner. You remember, Paulo is from Brazil?

Woman Yeah, yeah. I remember. Well, that sounds like fun.

Ben Yeah, anyway, we had a good time. But Paulo's friends stayed really late. He and his friends watched videos and played music and . . .

Woman Did you stay up, too?

Ben No, I went to bed early. But I didn't sleep at all. They made so much noise!

Woman Oh, that's terrible!

Ben Yeah, I just read for a while. Then, at about 1:00, they finally left.

Woman One a.m.?

Ben Yeah, I slept for about an hour – maybe. Then I got up at about 5:00 and had some coffee.

Woman What about Paulo?

Ben He got up around 6:00. In fact, we had breakfast together. Then he had to go to work. When he left, I relaxed for about two hours before I came to class, but I didn't sleep.

Woman I'm really sorry. Maybe you can get more sleep this afternoon.

Ben Yeah. Maybe.
